

Rotator Repairs**Solution*****hy-gain*****Rotator Repairs and Rates**

The hy-gain rotator non-warranty repair rate is \$70 per hour, plus any parts required, plus shipping.

Average repair ticket total:

CD/AR series \$125-150

Ham series \$125-175

T2X \$150-200

HDR-300 \$200-300

AlfaSpid \$100-200

Control box only \$60-100

Inspection only \$30 plus return shipping.

Repair normally includes a complete overhaul, strip down and wash. Also includes inspection, lubrication, and rewiring as necessary.

Repairs received are prepaid shipping only, no COD. Include a note detailing problems and/or modifications and upgrades. Include your daytime phone number to contact you as necessary. Payment includes standard credit and debit cards, and personal checks, or, COD \$13.50.

All repairs are warrantied for 45 days.
